

ABOUT the NOTRA Oval Track Racer (OTR) non-championship title program.

NOTRA began this non-champion awards program with the meets held in 2001. The Oval Track Racer (OTR) program is intended to identify and rank those sound, clean-running whippets that compete well, but for most of whom the Oval Racing Championship (ORC) may be out of reach. OTR points are earned by whippets that compete in all scheduled programs of the meet (not scratched or disqualified). Points are based on the number of hounds defeated in the final order of finish of the meet - with a maximum of 10 OTR points per meet. OTR points are not recorded for whippets after they have achieved the NOTRA championship title, the ORC.

It requires 25 points to earn the entry level title, the OTR. During the first 2 years of the program, the Oval Track Racer of Merit award (OTRM) and multiples were earned with each additional 50 OTR points. Beginning in 2003, NOTRA clubs voted to increase the requirements for the OTRM and multiples. The new point schedule requires approximately twice as long to attain the OTRM and multiples. Hounds that earned titles under the old point schedule retain those titles, but do not earn the next level up until they reach that plateau under the following new point schedule:

OTR: 25 pts OTRM: 100 pts OTRM2: 200 pts OTRM3: 300 pts OTRM4: 400 pts
 OTRM5: 500 pts OTRM6: 600 pts OTRM7: 700 pts OTRM8: 800 pts OTRM9: 900 pts
 OTRM10: 1000 pts

Titles earned during 2001-11 are in the file "OTRtitles.pdf" in this download section.

TOP 20 point earners for each past year and lifetime are also posted in this download section.

New OTR & OTRM titles earned during this year are in the file "NEWtitles.pdf" in this download section.

Below are Top 20 OTR point earners for 2012. Current summaries of OTR points, arranged alphabetically, by registered name follow. For corrections, questions or suggestions, please contact the OTR Record Keeper at ouce@berkeley.edu.
