2007 National Race Location

Per the current rules any Club(s) that wish to host the National Races for the next year must submit a proposal by November 1st of the preceding year. If more than one proposal is received, the selection will be put to a vote of the Club Representatives. Bids are now being accepted. Remember, The new rule change (shown below) for the Whippet National is now in effect.

"2.1.5 National NOTRA Meet

Once a year NOTRA will celebrate a National NOTRA Meet. Host Club(s) are encouraged to volunteer for this Meet and submit their request to the Secretary-Treasurer, coincidental to the annual Rule Change process. When more than one Host Club location request has been received, Club Members will be allowed to vote to determine the National NOTRA Meet location. To obtain maximum participation, it is encouraged that the National NOTRA Meet be held in conjunction with the NAWRA, WRA, or CWA specialty; if not possible the National NOTRA Meet will be a two-day affair. The Host Club(s) for the following year National NOTRA Meet will be announced with the results of the Rule Change Proposals before the end of the year. ***Whippets should use a distance, which allows the running of 4 Programs. This would preclude any distance exceeding 350m. Unless a club wishes to spread the races over 2 days, in the case of a 440 yard distance.***
